

Opportunities for Career Exploration

August 6-9 and August 16-17 in Hampton

Students served by DBVI and DARS are welcome to join the fun and explore welding and cyber this summer!

Welding Academy: August 6-9, 9:00 a.m. – 4:00 p.m.

In this 4 day academy, students will be introduced to the fun and fundamentals of welding. Each student will create and bring home a project they make.

Cyber Academy: August 16-17, 9:00 a.m. – 4:00 p.m.

In this 2 day academy, students will work on two live cyber security scenarios to determine who did it, why they did it, and what the U.S. response to the scenario should be.

Both academies incorporate:

- Best practices for safety
- Critical thinking skills
- Group interaction skills
- Communication skills
- Hands-on career exploration
