

**JOIN US** for an opportunity

## Thinking about your next step?

Ready for credential training but not sure your Math and English skills are?  
Need a brush-up or review, or even a deep dive to improve rusty skills?

## We have the answer!

The **Bridge Program** helps you build skills in key areas to be ready to train. Bridge is not a GED program and is open to anyone  
Who wants to improve foundational skills.

**Want more information** about this great online resource?
